Ban On Building Without Permits.

The City Council at its regular meeting last night placed a ban on the erection of buildings within the city limits without first securing a permit from the council, and in the future violators of the provisions of this law will be punished in the city court.

Building without permits, according to the opinion of a number of the members of the Board has been going on unmolested for several years, and has affected the insurance rates of a number of property holders in the city. Complaints have been received in great numbers, resulting in the council issuing a strict order that the law must be obeyed to the letter. Hereafter breaking ground for foundations or any movement toward the erection of a building must be preceded by a permit issued by the council.

The action of the council grew out of the complaint made to the erection of a small stable in the rear of the property occupied by J. W. Bramblett, on High street and the fact that Mr. W. C. Dodson, a member of the firm of Dodson & Denton, without securing a permit erected a stable on his property on South Main street. The close proximity of this building to the property of Mr. Hooker Stivers caused the insurance companies holding risks to increase the rate of insurance upon the buildings of the latter.

This was brought to the notice of the council in a letter to Mr. Stivers from the insurance company advising him to this effect. The buildings of Mr. Bramblett, and Mr. Dodson were ordered removed.

The fact that the council overlooked the matter of passing upon the seventeen applications for saloon licenses, it was taken up at the meeting and without objection the applications were voted upon as a whole and granted.

A report was made by Councilman Hinton in regard to the payment of salaries of two colored men employed by the city, and which was brought up at the last meeting of the council by Councilman Kenney, was accepted by the Board, who allowed the claims of the men. The payment of the salaries was held up at the instance of Mayor Hinton, who ordered an investigation into the reports of Street Superintendent John Cain, together with the time the men had been employed in other capacities. These, according to the report of Councilman Hinton corresponded with the records.

Councilman Parrish, as Chairman of the Fire committee, was instructed to have the Paris Water Company install two additional fire hydrants, one at the corner of Sixteenth and High and another at the corner of Nineteenth and Brent streets. Mr. Parrish reported the work on the sewer now under construction on West Eighth street progressing rapidly, and with its completion the construction of the sewer ordered by the council for Mt. Airy will begin.

A petition from the trustees of North Middletown was presented to the Board, in which it was asked that one tank of oil for use on the streets in that place be sold to them and requested the sprinkler used for the purpose of sprinkling the oil be loaned them. As soon as the work of spreading oil in this city is completed the request of the Trustees will be granted.

The matter of making an appropriation for the maintenance of the Massie Memorial Hospital was brought up, but upon a motion of Councilman Hinton, action was deferred until the filing of the report of the City Assessor, when it be determined the amount the city will be able to contribute to the support of this institution. Mr. Hinton said he had conferred with the trustees who had stated this course would be entirely satisfactory in view of the fact that the Fiscal Court of Bourbon had already made an appropriation, which would be ample to sustain them in their work until the council could take some action at its next regular meeting.

Mayor Hinton named Messrs. J. C. Lancaster, C. K. Thomas and J. Walker Muir as the Board of Tax Supervisors for the present year, which was approved by the council.

Secure a Home Site.

Buy a choice lot at the sale in Rosedale Addition on Wednesday afternoon, May 24, at 2 o'clock. Sewers, shade trees, concrete walks, etc., make it the most desirable addition ever opened in Paris. A good chance to secure a desirable home site at your own price. Fifty dollars in gold to be given away on the day of the sale. Be sure to attend. Checks having the seal of the sale.

Rev. Lightfoot Resigns Pastorate

After serving as pastor of the Paris Baptist church for the past four years Rev. E. M. Lightfoot tendered his resignation to the congregation following the close of the services Sunday morning. It is not known when the resignation will take effect.

The resignation of Mr. Lightfoot came as quite a surprise to the members of the congregation and the public in general. During the four years of his pastorate here he has acquired the friendship and esteem not only of his own congregation, but that of the members of the other Paris churches. Since Rev. Lightfoot took charge of the Paris church there has been erected a new temple of worship, the indebtedness of which has almost been wiped out, and aside from this he has been a leader in the mission movements of the church to the end a most successful campaign to this cause was managed and directed by him.

During his pastorate there has not been the slightest friction between he and the members of the church or the officers in charge with the result that he has accomplished much good in this community. The reason given for the resignation is that he with his wife desires to return to the South, where he lived before coming to Paris.
